

STATE OF THE COAST

Oregon's Coastal Conference - Gleneden Beach 2016

OCTOBER 29TH

Located at Salishan in Gleneden Beach Oregon

The one day conference (9am-5pm) explores current marine science and policy.

Join us for informative talks, hands-on learning, and fun!

- Blue Carbon
- Waves: Both Beauty and Beast
- Ocean Change and Market Squid
- Ocean Energy
- Harmful Algal Blooms
- OR's Beach Bill Turns 50
- Planning for Coastal Growth
- Ocean Food: Boat to Throat
- Student research and art exhibits... and much much more!

Communicating the Coast through Art and Science

2016 Keynote Michael Bendixen

What does it take to learn the science, craft the story, and ultimately connect people with these special places? Join us on a journey behind the scenes of the beloved Oregon Field Guide. We will follow this Emmy award-winning artist into the field, under the water, in the editing suite, and into production.
